We Are Advantix Bridge

Our Mission

At Advantix Bridge, our mission is to empower organizations and their employees by delivering innovative and tailored employee benefits insurance solutions. We are committed to bridging the gap between employer aspirations and employee well-being, ensuring that every individual feels secure, valued, and supported on their unique journey.

Our Vision

Advantix Bridge envisions a future where organizations thrive through the holistic well-being of their workforce.

Insurance Solutions

Through strategic partnerships and a client-centric approach, we strive to enhance the overall quality of life for employees, fostering a culture of prosperity, health and resilience.

Dental & Vision

Boost your benefits package with dental and vision coverage. Voluntary benefits give your employees more reasons to smile. Dental insurance and vision insurance are essential parts of any competitive benefits package. By offering coverage, you can help your employees pay for dental and vision care without impacting your bottom line.

Accident

From a fall to a car accident, this coverage offers a range of benefits to help cover medical or non-medical related expenses due to a covered accident. Individual and Group Accident: Provides benefits to help cover initial care, such as ER visits or x-rays, as well as more serious needs, such as fractures and dislocations. Includes follow-up care, like doctor's visits, and physical therapy to assist with recovery. Optional features include active lifestyle benefits and wellness.

Short & Long Term Disability

Provides financial protection to cover income loss from a covered disability. Replaces a portion of your employees' income if they have an accident or illness and can't work. Optional features include protection for psychiatric and psychological conditions and waiver of elimination period for hospitalization, plus. Solution to complement & supplement Paid Family Medical Leave (available in select states).

Critical Illness

You can't predict an illness, but you can be prepared. No matter where you are in life, you never know when you or a loved one could experience a critical illness, such as a heart attack or stroke.

Critical illness insurance helps supplement your major medical coverage by providing a lump-sum benefit that you can use to pay the direct and indirect costs related to a covered critical illness.

Cancer

Tough times get easier with cancer insurance. Offer protection through diagnosis, treatment and recovery. Cancer insurance enhances your benefits package by assisting employees and their loved ones if they face a battle with cancer, without adding costs to your bottom line.

Hospital Confinement Indemnity

Benefits to help cover the cost of a hospital stay and other medical procedures, regardless of what health insurance pays.

Individual or group benefits for a range of procedures and medical events, such as hospitalization, surgeries, diagnostic procedures, ICU and wellness screening.

Life Insurance

Can provide financial protection for an employee's family in the event of a covered death. Individual Term Life, Group Term Life or Individual Whole Life, all with Flexible benefit design offers.

Individual Term Life

Term life is ideal for high demand working years. Flexible benefit design offers four term options (10-, 15-, 20- and 30-year), family coverage and a set death benefit payment. It can be renewed or converted to a whole life policy.

Group Term Life

Flexible benefit designs with both employer and employee paid options. Allows employees to purchase additional coverage at group rates. It's portable and convertible to a whole life policy under certain conditions.

Individual Whole Life

Provides protection for a lifetime. Features guaranteed level premiums and increasing cash values over time. Your employee may purchase the option to increase coverage on the second, fifth and eighth policy anniversary without answering health questions.
